	Special Committee on Eliminating Georgia's Income Tax	The Senate Special Committee on Eliminating Georgia's Income Tax was established by Lt. Governor Burt Jones on July 17, 2025. Georgia's strong leadership and economic success have made it the No. 1 state to do business. However, many neighboring states are working to cut their income taxes and attract new business, while Florida and Tennessee have already fully eliminated their income tax. This special committee will chart a realistic and responsible path for moving away from the income tax in Georgia.
